THE NEW HOOK SPOON FREE.

I read in the Christian Standard that
Miss A. M. Fritz Station A, St Louis,
Mo., would give an elegant plated
hook spoon to anyone sending her 10
2-cent stamps. I sent for one and
found it so useful that I showed it to
my friends and made \$13 in two hours
taking orders. The hook spoon is a
household necessity. It cannot slip
into the dish or cooking vessel, being
held in place by a hook on the back.
Anyone can get a sample spoon by
sending ten 2-cent stamps to Miss
Fritz. This is a splendid way to make
money around home. Very truly,
J27-131 JEANNETTE S.

ICE CREAM NOW MADE IN A MINUTE.

I have an Ice Cream Freezer that
will freeze cream perfectly in one
minute; as it is such a wonder a crowd
will always be around, so anyone can
make from five to six dollars a day
selling ice cream and ten to twenty
a day selling Freezers, as people will
always buy an article when it is de-
monstrated that they can make money
by so doing. The cream is frozen
instantly and is smooth and free from
lumps. I have done so well that I
felt it my duty to let others know of
the opportunity, as I feel confident
that any person in any locality can
make money, as any person can sell
cream and the Freezer sells itself.
J. F. CASEY & CO., 1143 St. St. Louis,
Mo., will mail you complete instruc-
tions and will employ you on salary if
you can give them your whole time.

Syrup of Figs

Gladness Comes
With a better understanding of the
transient nature of the many phys-
ical ills, which vanish before proper ef-
forts—gentle efforts—pleasant efforts—
rightly directed. There is comfort in
the knowledge, that so many forms of
sickness are not due to any actual dis-
ease, but simply to a constipated con-
dition of the system, which the pleasant
family laxative, Syrup of Figs, promptly
removes. That is why it is the only
remedy with millions of families, and is
everywhere esteemed so highly by all
who value good health. Its beneficial
effects are due to the fact, that it is the
one remedy which promotes internal
cleanness without debilitating the
organs on which it acts. It is therefore
of great importance, in order to get its bene-
ficial effects, to note when you pur-
chase, that you have the genuine arti-
cle, which is manufactured by the Cali-
fornia Fig Syrup Co. only and sold by
all reputable druggists.

If in the enjoyment of good health,
and the system is regular, laxatives or
other remedies are then not needed. If
afflicted with any actual disease, one
may be commended to the most skillful
physicians, but if in need of a laxative,
one should have the best, and with the
well-informed everywhere, Syrup of
Figs stands highest and is most largely
used and gives most general satisfaction.

facturing Company, Cincinnati, Ohio.

ATLANTA, Ga.—The populist con-
vention fulfilled the predictions as to its
national ticket made by T. E. Watson
in his address Thursday night by
unanimously adopting a resolution
presented by the platform committee
authorizing the state executive com-
mittee at any time Mr. Sewall should
be withdrawn from the democratic
ticket to withdraw the six populist
electors and place six democratic
electors in their stead.

SAN FRANCISCO.—Nothing new in
the Campbell kidnapping case has de-
veloped today. The police are still
searching in vain for Winthrop and
his confederates who so cruelly tor-
tured the old man.

NEW YORK.—Three persons pro-
strated yesterday by heat died today,
the total number of prostrations
officially reported yesterday was thirty
eight.

LARNED, Kas.—Both the congress-
ional conventions—Populist and
Democratic—met in this city today,
made Jerry Simpson their candidate
from this the seventh district. Both
conventions declared for free silver at
the ratio of 16 to 1.

SAN FRANCISCO.—The Democratic
state committee met today. A resolu-
tion adopted by the advisory com-
mittee subject to the approval of the
state committee was read. It provides
that the chairman be authorized to
appoint a committee of seven to con-
fer with the Populist and silver organi-

Iowa City, Ia.—Grinnell was reach-
ed by the Bryan party at 8:35 and 2,
000 people were waiting. In the
midst of handshaking there were
many invitations to speak. Mr. Bryan
made a short speech. About 100
people chiefly farmers gave three
cheers for Bryan during a momentary
stop. At Brooklyn about 500 people
listened to a short address which Mr.
Bryan delivered from a wagon. At
Vieter where about 150 people were
in waiting Mr. Bryan had plenty of
time to shake hands with all of them
on the train was side tracked to meet
another train. At Ladara there were

200 or 300 people and the train stop-
ped just long enough for them to utter
a volley of cheers. At Marengo there
were 2,000 people at the depot and a
stirring manifestation of enthusiasm
was manifested.

At Oxford and Tiffin crowds greeted
Mr. Bryan but stops were short and
there was no formal speaking. At
Iowa City a ten-minute stop was
made and 1,000 people were voicing
their enthusiasm through the medium
of a brass band. At Downey 100
people cheered the train as it passed
and at West Liberty where the train
stopped twenty minutes for dinner
over 1,000 people greeted Mr. Bryan
and a band played while he was eating
dinner. Small crowds at Atalasia,
Moscow, Wilton, Durant, and Wolcott
greeted Mr. Bryan.

The reason

your tea isn't good is: you
get the wrong tea and you
make it wrong.

Boiling makes bad tea worse
and good tea so bad that you'd
better drink water or anything
else.

The right way is this: bring
your water to the boiling
point, take it off the stove;
put in your tea; let it stand
six or eight minutes—no
longer; then pour it.

The right tea to use is
Schilling's Best—whether you
drink Japan, Ceylon, Oolong,
English Breakfast, or the de-
licious Ideal Blend.

Good food, good life; Schilling's
Best coffee, baking-powder, soda,
spices, seasoning, flavoring-extracts—
pure and money-backed.
